This Management Bulletin is to alert sponsors of errors that are in the United States Department of Agriculture (USDA), *Summer Food Service Program for Children, 2000 Administrative Guidance for Sponsors* handbook.

Below are corrections to the errors found in the *2000 Administrative Guidance for Sponsors* handbook. Please make these changes in your copy of the handbook.

Page 19; paragraph titled "Operating Limitations", 3^d bullet should read:

All sponsors, **except private nonprofit organizations**, may be approved for a total average daily attendance at all sites of 50,000 children.

Page 22; paragraph titled "Purchasing Meals from a Food Service Management Company", 3rd sentence should read:

Generally, sponsors may **not** contract with a school using a food service management company.

Page 22; same paragraph as above, insert a 4th sentence to read:

However, it may be permissible if the school's Invitation to Bid and/or the contract with the food service management company included the provision of meals.
